

For Immediate Distribution

June 26, 2009

Montag & Caldwell is pleased to announce that effective July 1, 2009, Bill Vogel, CEO, has assumed the additional title of President, which better reflects his overall management responsibilities. Also, effective immediately, Scott Thompson and Andy Jung are promoted to Co-Directors of Research. These roles were formerly held by Ron Canakaris, who will remain as Chairman and Chief Investment Officer. Mr. Thompson and Mr. Jung continue as Co-Portfolio Managers of the Montag & Caldwell Mid Cap Growth strategy.

These appointments are a reflection of the depth and strength of our team, and the long term succession planning that has been a hallmark of our firm.
